Sub: Re- Uploading of incomplete documents on the SARAS portal with reference to the application 2024-25 (SS-00094-2425).

As per CBSE affiliation Unit Preet Vihar dated 23rd November, 2023 following :-

1. The school is required to submit Recognition certificate from class I to VIII with validity.	The school has got Recognition certificate classes I to VIII by DSE Ranchi, Jharkhand for life time .
2. As per the land certificate PARA – I, the land is owned by Sh. Satish Kumar & Ravikant Mahto by way of lease deed from 24-09-2019 to 23-09-2049. However, as per PARA – II, owner of the land has leased the land to Prabu Mahto Memorial Trust with same lease period. Hence, land title cannot be ascertained. Thus, the school is required to obtain the renewed land certificate as per as per the Appendix –X of Circular no. 12/2022 with complete details of lessor (with land title / type of ownership) and lessee.	We have renewed land certificate as per as Appendix-X of circular no. 12/2022 with complete details of the lessor and lessee. We have submitted land certificate and lessee deed.
3. The height of the boundary wall is less than 6 ft and it is partly covered with the iron grills. Thus, the school is required to ensure that it should be bounded with concrete wall from all sides with minimum 6 ft of height.	The height of the school boundary wall above the 6 ft. and we have submitted building safety certificate given by building construction department division 1 Ranchi, Jharkhand by Assistant Engineer.
4. As per application, school has only one block, whereas in the video there are more than 02 blocks visible out of which one block is under construction which is easily accessible by the students. Thus, the school is required to submit the duly signed	School has 2 blocks, old blocks are running classes I to VIII and second block not occupied, in new building will be start secondary and senior secondary after got the affiliation. In our school each floor has toilet facilities available also provision for CWSN. (Building safety Certificate attached)

clarification in this regards on its letterhead. Further, in case all the said block are part of the school, it is required to submit all the safety certificate (building, fire, sanitation) accordingly and ensure that they have the provision for CWSN.	
5. The Composite science lab is undersized and temporarily arranged on the tables, which are placed adjacent to the wall. Hence it not appropriate for conducting practical. Further, the said lab does not have the washbasin, water and gas connection in the workstations, seating arrangement (wooden stools only), sufficient storage and safety features such as fire extinguishers and exhaust fan. There are curtain seen on the window, which are fire hazard. Thus, the school is required to set-up the same as per above and Board's SOP for composite science lab.	The composite science lab is 600 sq. ft (Building safety certificate attached) not undersized and it is permanent as per the board SOP .
6. The chemistry lab does not have safety features such as fire extinguisher and exhaust fan. Further, it is appearing that the biology lab is temporarily arranged on the tables in the chemistry lab and both the labs are running together. All of the three science lab are under stocked and without any seating arrangement (wooden stools), there are curtain seen in the same, which are fire hazard. Thus, the school is required to remove the curtain and set the chemistry and biology lab separately as per prescribed dimension and upgrade the all labs per board's SOP for labs.	The chemistry lab as per board's SOP, in chemistry lab all equipment are available like fire extinguisher, Exhaust fan etc . All the labs (Phy, Chem, Bio) are not under stock and sitting arrangement are available for students (Wooden tools are available). We purchase all equipment and chemical for labs (Rs. 167,449) attached bill.
7. The library needs to be upgraded with more books and separate reading space for staff.	In the library, we have upgraded and sperate reading space for teacher (Teachers Corner)
8. The school has converted regular cubicles into CWSN toilets, but they are very narrow and there is no	In CWSN toilet separately for boys and girls each floor with sufficient space for easy movement of wheel chair along
